

Canvey Island Plan for Neighbourhoods Board Workshop

Thu 24/07/2025 09:00 - 13:00

The Paddocks Community Centre

This workshop will be an interactive and very 'sleeves rolled up' working session. This funding is an extraordinary opportunity for us, and this workshop will help make sure that, as a Board, we stand ready and equipped to deliver the amazing job that the people of Canvey Island so richly deserve.

Amongst other things we will look at:

- The Board, what is our job - and what isn't our job?
- Risk - first thoughts on risk management.
- Issues and opportunities - emerging thoughts on focus?
- Stakeholder engagement and communications - who should we be talking to, why and how?
- A Plan of Action - how we will we take things forward?
