The Board met online and discussed the following matters:

1. The need to review and approve the updated terms of reference. It was agreed that everyone would review the terms of reference in time for the in-person meeting on the 16 October.
2. The need to set up regular meetings over the period of submission of the Regeneration Plan so that those preparing the plan had input from the Board throughout. It was agreed to set up regular online meetings for first thing Thursday mornings.

3. The need to spend some time away from the meeting room exploring Canvey Town Centre. It was agreed to have an early evening walk around of Canvey Town Centre on the 15 October.
4. The emerging vision and investment plan were discussed, with Board Members providing direction to those undertaking the work.
