SUBJECT: MHCLG monitoring report

1 PURPOSE OF REPORT

1.1 To provide the board with the contents of the MHCLG monitoring data that is required to be submitted every 6 months. This report states the capacity funding spent, capacity funding forecast, projects delivered, projects planned and any changes to the board within this 6-month period (April – October 2026)

2 LINKS TO THE CANVEY ISLAND REGENERATION PLAN

2.1 MHCLG guidance states that the submission of this report is mandatory.

3 MATTERS FOR THE BOARD TO CONSIDER

3.1 The Board is asked to consider and take decisions on the following matters:

(1) Agree the monitoring information provided at Appendix A (Canvey Island PiPP October 2026)

(2) To delegate authority to the Assistant Director of Climate & Growth and the S151 Officer to make minor amendments necessary, if required, prior to formal submission via the MHCLG portal.

4 COMMUNITY CONSIDERATIONS

4.1 There are no community considerations to be considered

5 FINANCIAL AND COST CONSIDERATIONS

5.1 It is the responsibility of Castle Point Borough Council, in its current role as the accountable body, to complete the monitoring return. Final submission of the data confirms that the S151 Officer is content and that the accountable body has been able to conduct their responsibilities.

6 OTHER RESOURCE CONSIDERATIONS

6.1 There are no other resources to be considered

7 RISKS

7.1 The MHCLG monitoring process states that reporting must be completed online using a MHCLG digital tool. It is the responsibility of Local Authorities, in their current role as the Accountable body, to complete the monitoring return. The risks of not completing the return include potential intervention by MHCLG.

8 LEGAL CONSIDERATIONS

8.1 Castle Point Borough Council has legal and financial responsibilities in its role as the Accountable body.
